CST's website use cookies. "Cookies" are small pieces of information sent by a web server to a web browser, which enable the server to collect information from the browser. They are stored on your hard drive to allow our website to recognise you when you visit. Our website uses one cookie (called "PHPSESSID"), which is a necessary part of the functionality behind the Members section.

We use cookies for your convenience. We do not obtain or store in a cookie any personal information about you. Your browser can be set to not accept cookies if you prefer but this will restrict your use of the website.

Please note that we collect usage data from our website using Google Analytics, a 3rd party data analysis tool. This provides us with aggregated, non-personal data which we use to analyse visitor trends. Google Analytics uses cookies and these are stored on your device too. We may also use other 3rd party suppliers for different website plugins and tools and they may also use cookies.
