

Run by experienced academy governance professionals for academy governance professionals

What is Trust Governance Insight?

Trust Governance Insight is an annual programme of training sessions, bulletins and one-to-one mentoring; and is unique in focusing on practical guidance for professionals working in academy governance. We know that this role can be exciting, exhausting, interesting and isolating in equal measure and our tailored support offer enables advice and insight to be shared throughout the year.

“Extremely valuable in building confidence in a safe and supportive way. The one-to-one mentoring and bespoke approach to an individual, their practice and their trust is what makes it so special. I would highly recommend Trust Governance Insight to academy governance professionals”

What does Trust Governance Insight offer?

Termly training

three day-long sessions focusing on knowledge, skills, peer discussion and contributions from sector experts. Attendees get a workbook of resources to share with their trusts

One-to-one mentoring

a one-hour call after each training with one of our expert team to discuss areas or advice relevant to your role, academy or trust

Update bulletin

with resources, sector updates and good practice case studies, all of which are targeted to provide inspiration for your role

Additional benefits

Participants in **Trust Governance Insight** also qualify for additional benefits worth £450+:

- A one year professional subscription to ICSA: The Governance Institute providing access to a range of resources free of charge.
- Attendance at one masterclass delivered by the Confederation of Schools Trusts and available for use by anyone from within your school trust at no additional cost.

“It was so informative – delivered by experienced individuals who clearly have a significant amount of knowledge.”

“Sessions are practical, useful and the information shared is really good. It's reassuring to spend some time with others working in what can often feel a very solitary role.”

Who is Trust Governance Insight for?

It is most relevant to those with lead responsibilities for governance in small and growing multi-academy trusts or standalone academies. Our 2019/20 programme runs in London, Birmingham and Manchester.
